Yet was this only a provisional scheme,
A false appearance sketched by limiting sense,
Mind’s insufficient self-discovery,
An early attempt, a first experiment.
This was a toy to amuse the infant earth;
But knowledge ends not in these surface powers
That live upon a ledge in the Ignorance
And dare not look into the dangerous depths
Or to stare upward measuring the Unknown.
There is a deeper seeing from within
And, when we have left these small purlieus of mind,
A greater vision meets us on the heights
In the luminous wideness of the spirit’s gaze.
At last there wakes in us a witness Soul
That looks at truths unseen and scans the Unknown;
Then all assumes a new and marvellous face:
The world quivers with a God-light at its core,
In Time’s deep heart high purposes move and live,
Life’s borders crumble and join infinity.
This broad, confused, yet rigid scheme becomes
A magnificent imbroglio of the Gods,
A game, a work ambiguously divine.
Our seekings are short-lived experiments
Made by a wordless and inscrutable Power
Testing its issues from inconscient Night
To meet its luminous self of Truth and Bliss.
It peers at the Real through the apparent form;
It labours in our mortal mind and sense;
Amid the figures of the Ignorance,
In the symbol pictures drawn by word and thought,
It seeks the truth to which all figures point;
It looks for the source of Light with vision’s lamp;
It works to find the Doer of all works,
The unfelt Self within who is the guide,
The unknown Self above who is the goal.
All is not here a blinded Nature’s task:
A Word, a Wisdom watches us from on high,
A Witness sanctioning her will and works,
An Eye unseen in the unseeing vast;
There is an Influence from a Light above,
There are thoughts remote and sealed eternities;
A mystic motive drives the stars and suns.
In this passage from a deaf unknowing Force
To struggling consciousness and transient breath
A mighty Supernature waits on Time.
The world is other than we now think and see,
Our lives a deeper mystery than we have dreamed;
Our minds are starters in the race to God,
Our souls deputed selves of the Supreme.
Across the cosmic field through narrow lanes
Asking a scanty dole from Fortune’s hands
And garbed in beggar’s robes there walks the One.
Even in the theatre of these small lives
655  Behind the act a secret sweetness breathes,  
An urge of miniature divinity.  
A mystic passion from the wells of God  
Flows through the guarded spaces of the soul;  
A force that helps supports the suffering earth,  

660  An unseen nearness and a hidden joy.  
There are muffled throbs of laughter’s undertones,  
The murmur of an occult happiness,  
An exultation in the depths of sleep,  
A heart of bliss within a world of pain.  

665  An Infant nursed on Nature’s covert breast,  
An Infant playing in the magic woods,  
Fluting to rapture by the spirit’s streams,  
Awaits the hour when we shall turn to his call.  
In this investiture of fleshly life  

670  A soul that is a spark of God survives  
And sometimes it breaks through the sordid screen  
And kindles a fire that makes us half-divine.  
In our body’s cells there sits a hidden Power  
That sees the unseen and plans eternity,  

675  Our smallest parts have room for deepest needs;  
There too the golden Messengers can come:  
A door is cut in the mud wall of self;  
Across the lowly threshold with bowed heads  
Angels of ecstasy and self-giving pass,  

680  And lodged in an inner sanctuary of dream  
The makers of the image of deity live.  
Pity is there and fire-winged sacrifice,  
And flashes of sympathy and tenderness  
Cast heaven-lights from the heart’s secluded shrine.  

685  A work is done in the deep silences;  
A glory and wonder of spiritual sense,  
A laughter in beauty’s everlasting space  
Transforming world-experience into joy,  
Inhabit the mystery of the untouched gulfs;  

690  Lulled by Time’s beats eternity sleeps in us.  
In the sealed hermetic heart, the happy core,  
Unmoved behind this outer shape of death  
The eternal Entity prepares within  
Its matter of divine felicity,  

695  Its reign of heavenly phenomenon.  
Even in our sceptic mind of ignorance  
A foresight comes of some immense release,  
Our will lifts towards it slow and shaping hands.  
Each part in us desires its absolute.  

700  Our thoughts covet the everlasting Light,  
Our strength derives from an omnipotent Force,  
And since from a veiled God-joy the worlds were made  
And since eternal Beauty asks for form  
Even here where all is made of being’s dust,  

705  Our hearts are captured by ensnaring shapes,  
Our very senses blindly seek for bliss.  
Our error crucifies Reality  
To force its birth and divine body here,
Compelling, incarnate in a human form
And breathing in limbs that one can touch and clasp,
Its Knowledge to rescue an ancient Ignorance,
Its saviour light the inconscient universe.
And when that greater Self comes sea-like down
To fill this image of our transience,
All shall be captured by delight, transformed:
In waves of undreamed ecstasy shall roll
Our mind and life and sense and laugh in a light
Other than this hard limited human day,
The body’s tissues thrill apotheosised,
Its cells sustain bright metamorphosis.
This little being of Time, this shadow soul,
This living dwarf-figurehead of darkened spirit
Out of its traffic in petty dreams shall rise.
Its shape of person and its ego-face
Divested of this mortal travesty,
Like a clay troll kneaded into a god
New-made in the image of the eternal Guest,
It shall be caught to the breast of a white Force
And, flaming with the paradisal touch
In a rose-fire of sweet spiritual grace,
In the red passion of its infinite change,
Quiver, awake, and shudder with ecstasy.
As if reversing a deformation’s spell,
Released from the black magic of the Night,
Renouncing servitude to the dim Abyss,
It shall learn at last who lived within unseen,
And seized with marvel in the adoring heart
To the enthroned Child-Godhead kneel aware,
Trembling with beauty and delight and love.
But first the spirit’s ascent we must achieve
Out of the chasm from which our nature rose.
The soul must soar sovereign above the form
And climb to summits beyond mind’s half-sleep;
Our hearts we must inform with heavenly strength,
Surprise the animal with the occult god.
Then kindling the gold tongue of sacrifice,
Calling the powers of a bright hemisphere,
We shall shed the discredit of our mortal state,
Make the abysm a road for Heaven’s descent,
Acquaint our depths with the supernal Ray
And cleave the darkness with the mystic Fire.
